7 hrs : Pick up at your Hotel

9 hrs : Arrival at the National Park “La Campana”

After a coffee or tea we will follow Charles Darwin footsteps, crossing the ancient Chilean palm forest like the English Biologist did in 1834. Some of the palms are more than 400 years old and are protected as Biosphere Reserve from the UNESCO.

We will end the walk arriving to a waterfall where we will enjoy a lunch break in this unique reserve.
