6 hrs: Pick up at your Hotel

8 hrs: Arrival in the middle of the Andes

After 2h walk we will reach a lagoon lost in the immensity of the Andes. From there, we will begin the ascent, reaching a mountain pass and then a first summit at 4.025m from where we will be able to see our final goal called "The Painter" (4.220m)

A magical place for its incredible colors, from which we are going to enjoy the 360° view on the Andes, its glaciers and its summits such as El Plomo in background, the volcano Tupungato...
